FANTASTIC CREATURES IN YOUR OWN BACKYARD

Pretend that you are planning our next animal ambassador presentation. **REMEMBER:** when you see an animal in the wild, leave it alone and in the wild. We are looking with our eyes and **NOT** our hands.

Under the supervision of an adult, identify animals that might exist in your own backyard and find out all the fantastic facts that you can about native animals. Present the facts to your own audience, or set up a virtual call with a loved one to tell them all that you have learned!
